The Coalition for Pet Protection thanks everyone who made the first "Karoake for Kats" night a success. It was held Oct. 27 at Bodega's and was filled with great singing, food, and fun. Proceeds will support CPP'S programs.

The Coalition's fundraising programs can help with the upcoming holiday season. Shopping with CPP will not only help the animals of Lincoln, but will save time and money. The "scent"sational Yankee Candles can be purchased through CPP's online program, with the Coalition receiving a portion

of the sales. We also have car charms and pet bandanas, which make great stocking-stuffers. More information can be found by clicking on the fundraisers link at www.petcoalition.org. CPP is also part of the I Give online purchasing/donation program.

CPP volunteers will be at Petsmart South, 2801 Pine Lake Road, Nov. 7 and 21. Hours both days are noon to 3 p.m. Items will be for sale, along with information about CPP and upcoming events.

The Coalition, founded in 1992, is a non-profit 501(c)(3) organization. Donations are tax-deductible and are used locally for medical assistance for cats, and an animal food bank for dogs and cats.
