## Beneficiaries of CPP assistance say 'thanks'

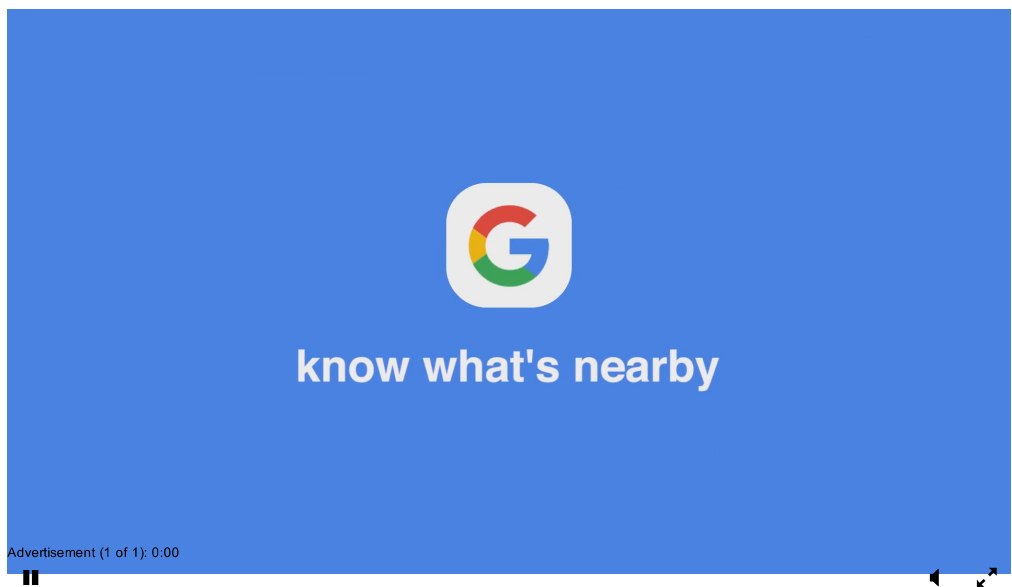

Oct 28, 2016

These are just two of the many success stories for the Coalition for Pet Protection (CPP) and the families we have helped:

"Hello CPP! Here's an update on my cat. She is doing well after surgery for mammary gland cancer. I can't thank you enough for everything you did to help us."

Another client's note:

"Thanks for providing funds to help my cat. Your support really made a difference to our family. God bless you!"

We want to continue to make a difference in the lives of animals and are excited to be part of Giving Tuesday this year. This is an funding program through razoo.com It is a day to give back, and a nice way to celebrate the holiday season, by supporting non-profits.

Giving Tuesday is Nov. 28, but donations will be accepted before that date. Go to [www.givingtuesday.razoo.com](http://www.givingtuesday.razoo.com). Click on "find a cause." Type in "coalition for pet protection" in the search engine, click on the CPP icon. Then choose your donation amount. We have a generous donor that will match up to \$500. What a great way to double the donations. The Coalition is also part of the I Give, and the Amazon Smile program.

These are two great programs that allow online shoppers to donate to their favorite non-profit while shopping for that special holiday gift, or all year long. For more information on these programs check out CPP's website at [www.petcoaliton.org](http://www.petcoaliton.org), Cpp's Facebook page, or by calling the hotline at 402-434-7922.

The Coalition was founded in 1992. It is a non-profit, 501(c)(3) organization. All donations are tax-deductible, and used locally. CPP's main mission is medical care for felines, an emergency dog/cat food bank.
